As Chair of Governors, Ms. Murphy works closely with the Headteacher in the appointment of staff, monitors the school's performance in a range of areas and works as a critical friend to support us as we strive for excellence in everything we do.

As well as serving as Chair of Governors at ELIS Murcia, Ms. Murphy also attends meetings regularly with the team of Directors of Education at Cognita, the global schools group of 75 schools, of which ELIS Murcia is one. Being part of the Cognita family helps us to connect with other schools, share best practice and benefit from a broad professional network. Every school within the Cognita family is different: we embrace this diversity and learn from each other.

As a group, Cognita has high aspirations for every child and is committed to enabling all young people to develop high academic standards, character development and a global perspective.
